

SYSTEMS DEVELOPMENT CERTIFICATE

Systems development practitioners seek to optimize the design, implementation, and use of information systems for organizational purposes.

The certificate in Systems Development is open to anyone with an associate's or bachelor's degree in IT. UNO students enrolled in the Division of Continuing Studies' Bachelor of Multidisciplinary Studies degree program with an IT-related concentration and students in any of the College of IS&T undergraduate degree programs are also eligible to enroll in this certificate program.

Students are responsible for completing the prerequisites for all courses taken for the Systems Development Certificate.
